WHAT IS A TARGET MARKET DETERMINATION?

It sets out the target market for each product, conditions and restrictions placed on their distribution, events and circumstances that would reasonably suggest that the TMD is no longer appropriate and review periods and reporting obligations for the TMD.

This TMD does not provide any financial product advice on the products and does not take into consideration the objectives, financial situation and needs of individual customers.

The terms and conditions of each product are set out in the PDS. This TMD does not form part of the insurance contract and is not a summary of each product's terms and conditions. Customers should review the PDS before making any decision in relation to the products.

Any terms used in this TMD that are defined in the *Corporations Act 2001* (Cth) have the same meaning as in that Act.

This TMD is available to any person at <https://www.petinsuranceaustralia.com.au/downloads/>
